WHO ARE WE?

About Rosewood Doha

Housed in two striking towers inspired by the coral reefs in the seas surrounding Qatar, Rosewood Doha and Rosewood Residences Doha will redefine ultra-luxury hospitality for global citizens who crave a lifestyle of authenticity fused with modern luxury.

We will become one of the city's most dynamic culinary destinations with a collection of innovative restaurants & lounges. We will transform ordinary events into extraordinary with sleek interiors and state-of-the-art technology. We will introduce a ground-breaking urban concept that delivers innovative and integrative solutions for personal transformation.

WHY JOINING US?

At Rosewood Doha, we are dedicated to creating an environment where passion meets purpose.

We believe we have the power to impact and enrich everyone's life. Each day is full of opportunities to positively contribute to our associates, guests, and community.

Here, everyone belongs. We partner with you to Discover Your Calling, unlocking your true potential to excel in your career.

Together, we push the boundaries, discover the uncharted and bring hospitality to new heights.

YOUR IMPACT IN THIS ROLE:

Optimize Plumbing Systems: Undertake actions to optimize the hotel's plumbing systems, ensuring efficient water distribution and drainage.

Implement Water Conservation Solutions: Actively contribute to the implementation of water conservation measures, aligning the hotel with sustainable practices and supporting environmental responsibility.

Champion Safety: Lead the adherence to rigorous safety protocols in plumbing work, demonstrating an unwavering commitment to the safety and well-being of guests and associates.

Promote Strong Collaboration: As a part of our dynamic team, you'll work closely with various departments to ensure the smooth running of operations. Your ability to communicate effectively and collaborate will foster a harmonious work environment.
